

AEE New England Chapter

Dear Potential Sponsor,

Your organization has taken a leadership role in the development of a vibrant energy economy here in New England. The New England Chapter of the Association of Energy Engineers acknowledges the hard work and the contributions that you and your company have made towards more efficient use of energy. With this in mind, we would like to invite you to become more active in our organization by becoming a Chapter Sponsor.

Our mission is “to sustain a network of energy practitioners with demonstrated competencies over a range of energy issues.” In 2008 our New England Chapter received the “Best Community Service Award” from the World Energy Engineering Congress. In order to continue our winning ways, we rely heavily on support from organizations such as yours.

The benefits of AEE New England Chapter Sponsorship include:

- Recognition in our monthly newsletter distributed to 800 energy professionals
- Optional annual company profile in the newsletter at no cost
- Annual employment ad placement in the newsletter at no cost
- A table top booth and brief talk at our annual Chapter Sponsor’s Night meeting
- Access to the AEE New England Chapter mailing list
- A link to our Chapter Web Page

Our current sponsors represent a wide variety of industries, all of which have made a commitment to responsible energy management. These include **NSTAR Electric & Gas, Raytheon, National Grid** and **Massachusetts Maritime Academy**, to name but a few. All recognize the benefits of AEE New England sponsorship through free employment notices, Sponsor Night promotional opportunities and the access to hundreds of skilled energy managers and resources.

Equally important is the education and the networking that our organization provides for the energy professionals in the region. We hope that you will support our New England Chapter and make a worthwhile investment in promoting the energy future of our region. Please consider an AEE Sponsorship today!

Thank you for your consideration.

Brian S. Crafts
Chapter Sponsor Chair
Tel: 978-528-4630

“Sponsoring AEE New England has proven to be an excellent investment for our institution. The networking opportunities are tremendous and in sync with our ‘green’ initiatives. This sponsorship is worth every penny!”

*Kristine Esdale, Media Specialist
Massachusetts Maritime Academy*
