* Denotes Past President

Greetings – December 2011

I hope everyone has recovered from the storm and subsequent power outages from a few weeks ago. I know our friends at the local utilities worked hard to restore power to everyone and I want to personally thank them for their efforts. My street looked like the Ardennes Forest during the Battle of the Bulge, so to restore power within a few days was quite impressive.

It was unfortunate that the Embassy Suites lost power and we had to postpone our **AEE/New England Energy Product Showcase**. We have decided that since this event is so important to our sponsors, we will hold it in December in lieu of the planned “vertical market” meeting. If possible we will reschedule the Vertical Market meeting in 2012.

The silver lining of postponing the show is that the extra time just might allow for a few more sponsors and attendees to register for an even bigger and better show. If you are a Chapter Sponsor and have not registered for the show, please contact **Gregg Snyder**. If you are not a Chapter Sponsor and would like to participate in the show, please contact **Joe Dolengo**. Please read the meeting notice in this newsletter for additional information and don't forget to sign up early for a discounted price. **Dan Wheatley** will also present our 2011 scholarship award winners during the product showcase as well.

It is that time of year to start thinking about the annual Energy Awards. The applications are due no later than January 15, 2012 and the awards will be given out at our annual Energy Awards Night on February 1st, 2012. Please contact **Jim Armstrong** for additional information.

Our next Board of Directors meeting will be at 4:00 PM (note time change) preceding the December **Energy Product Showcase**. We encourage anyone who is interested to come and participate.
